**SWIMMING POOL**  
*More than just a Pool*

# ABOUT US

## A local Pool for everyone

Settle Area Swimming Pool first opened its doors in 1975. The pool is a registered charity managed by a committee of volunteers who work hard to ensure continued funding, supported by three successful Charity Shops in the town.

At the Pool we offer a whole range of targeted sessions for people to have fun and improve their swimming skills. We have lessons covering all age groups and abilities from those learning to swim through to experienced swimmers. We also offer exercise sessions including aqua aerobics, hydrolates and referral hydrotherapy for all ages. In addition to this, there are sessions for babies and toddlers, calm and inclusive for those needing a quieter environment and special discounted sessions for families.

# POOL STATISTICS

As a registered charity, the Pool depends on revenue generated from admissions, donations, and proceeds from our charity shops. At present, we do not receive any government funding.

By choosing to support the Pool through one of our corporate packages, you will play a crucial role in helping us maintain the essential services we provide to our community.

Your sponsorship will enable us to continue providing a quality community facility for everyone.

**More than  
300**

Children are learning to swim as part of the UK Learn to Swim programme

**10**

primary and secondary schools use the pool to teach their pupils swimming as part of the PE curriculum

**Over  
4,000**

visitors to the pool per month in 2024/25  
(on average)

**12**

Community groups regularly using the space for a range of activities

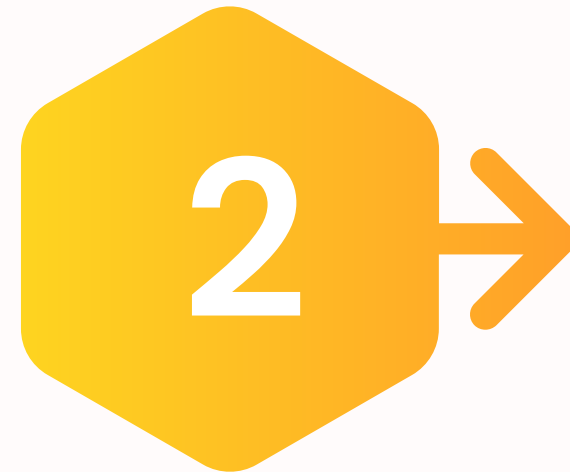

# SPONSORSHIP PACKAGES
