

SETTLE AREA SWIMMING POOL

Business Development Manager for Settle Pool and Wellbeing Hub

Salary:	£23,333 pro rata
Hours:	20 hours per week 0.6 FTE for 12 months
Working with:	Pool Manager
Closing date:	15 May 2022
Reserved interview date:	31 May 2022

About us

Settle Area Swimming Pool is a vibrant part of the local community in upper Ribblesdale. We have provided health and fitness activities to generations of residents and visitors for over 45 years. Our customers range from a few months old to active over 80s. The pool is currently completing a major £1m building project to expand facilities, and plans to reopen in late summer 2022.

About the location

Settle is a bustling market town by the River Ribble, nestling in a land of peaks, dales, caves and waterfalls. The town is thought to have 7th century origin and is featured in the Domesday book. We welcome visitors who come to walk, cycle and enjoy the outstanding Yorkshire limestone scenery.

About this role

This role is currently funded for 12 months, and involves working together with the pool manager as we open our exciting new facilities. The Business Development Manager will take the lead in expanding revenue from our new dryside space and café and working with paid staff, volunteers and trustees. Promoting fitness and health classes, and activities by local groups will require close liaison with community groups in Settle and the surrounding area.

About you

You will ideally have experience of working in the leisure industry. You will relish the challenge of helping a well established organisation develop in new directions and provide an engaging service to the community across all age ranges.
